What is Healthy Families of Burnett County Home Visiting?

This program supports pregnant moms and new parents to promote infant/child health and development, and so much more!

Home visits always start like a visit with a friend who checks in on what's happened since the last time you were together.

Likely, Family Support Specialists will develop other activities based on topics parents have asked to learn more about, such as child development (When will my baby start to crawl?) or health and safety topics. Parents are able to make toys or other fun projects to use with their infant.

Family Support Specialists are always prepared to give families additional resources- if families feel it would be helpful- such as referrals to local service providers.

### IN 2023:

- We became accredited as an FRC of Quality
- We served 587 families
- 1,090 children were served
- 5,928 activity kits were distributed
- Diaper Pantry was utilized 185 times
- 44 Play & Learn Groups were held
- 412 home visits, workshops etc. completed
- We started a Community Vegetable Garden

Do you know someone who is expecting, or recently delivered?

Receive a \$25 Gas Card for referring someone to our Healthy Families of Burnett County Home Visiting Program. Let them know we offer weekly or bi-weekly visits with our amazing and well trained Family Support Specialists.

## DID YOU KNOW?

### April is Family Strengthening Month!

Here are some things you can do to help strengthen children and families:

- Spend quality time reading, playing or talking with a kid in your life.
- Giving a caregiver in your social circle a friendly ear or helping hand.
- Get to know the parents and families in your neighborhood.
- Donate new or gently used items for programs for children and families.

You can also learn the 5 strengths that keep families strong:

- **Helping kids understand feelings** *Showing your kids how to express and handle emotions.*
- **Parenting as children grow** *Learning skills to support your child's growth.*
- **Connecting with others** *Building a network of people who care about you and your family.*
- **Building inner strength** *Staying flexible and calm during times of stress.*
- **Knowing how to find help** *Seeking support and accepting help in times of need.*

# Programs

## Baby Go Round

Enjoy your pick of gently used clothing. Donate your gently used clothes back to the program or pay it forward to someone else (newborn to 4T).

## Resource & Referral

Are you looking for information on area resources? We might be able to help. Call the FRC or the United Way 211 for the information that you're looking for.

## Diaper Pantry

Our diaper pantry is available to anyone who is in need of diapers. The program is run on donations, so brand, sizes and quantities are limited. Please call ahead to schedule a time to pick up.

## Car Seat Safety

Learn about car seat safety and proper installation from our certified Passenger Safety Technician. If you are in need of a car seat, funds may be available to help. Income guidelines apply.

## Community Food Corner

Available in the main lobby of the FRC building. Funded through a partnership with the St Croix Valley Food Bank and available to anyone in Burnett County.

Wood Creek 4H Donates homemade Rice-A-Roni to the Food Corner

## Babies & Babble

6 weekly 1 hour sessions for new parents. Connect with other new parents as we learn together and talk about the joys and challenges of raising babies. Tuesdays 10:00am. Sign up today!

# Programs

## Parent Cafe's

Group discussion on the joys and challenges of family life. Explore the 5 Strengths that makes all families strong. Fun group! A meal and child care provided.

## Parent Support and Education

Five for Families.org

One on one assistance with parenting, budgeting, discipline or just conversation. Call to have a staff member schedule an appointment to discuss options that will work for you. Completely confidential. FRC staff are trained in various evidence-based curriculum including Growing Great Kids, Nurturing Parenting Program, The Protective Factors and Triple P Positive Parenting Solutions.

## ASQ's/Child Development

The FRC has received a grant to increase awareness of child development screenings. Watch for the FRC to hold screening events across the county over the next year. If you have any concerns about your child's development, give us or your medical provider a call.

## Baby Massage

Our certified educator in infant massage can meet with you to talk about the many benefits baby massage has to offer, while showing specific strokes to help with common issues such as colic and gas.

## VROOM APP **vroom** Brain building moments

Have you heard of VROOM? If you have a child age 5 and under, download the free app today. The app is full of fantastic tips to nurture your child's growing mind.

## Mobile FRC

We know it's not always easy getting to the FRC. We've decided to go mobile! April 3rd, we're coming to a location near you. First stop will be in the Webster Library 10:30 - 12:30pm. April 10th, Grantsburg Library 1-3pm. We're bringing Baby Go Round, Diapers, ASQ's, an activity, snack and will read for story time!
